Accomplishment Report — Academic Year 2025–2026

A MESSAGE FROM THE LEADERSHIP

This report is the account of CCJE Province for Academic Year 2025–2026.

It covers what we set out to do, what we carried out, and what came of it. Where a programme did not continue, it is said so plainly — the full record of everything published during the year, including work that was stopped, is kept in the Hub Archive alongside this report.

We hand this over to the students who come after us, and to the administration that follows, in the hope that it is useful rather than ceremonial.

WHAT WE ACCOMPLISHED

2 programmes carried out during the term.

1. CCJE Peer Tutorial Sessions

October 2025 to March 2026

Free tutorial sessions before examinations, led by upperclass students.

- First round covered the four subjects students asked about most.
- Sessions ran before every examination period of the year.

2. CCJE Community Outreach

December 2025 to December 2025

A day of service in a partner community, planned with the unit's faculty adviser.

- Students spent the day on a feeding program and a school supplies drive.
