Elementary Province

Accomplishment Report — Academic Year 2025–2026

A MESSAGE FROM THE LEADERSHIP

This report is the account of Elementary Province for Academic Year 2025–2026.

It covers what we set out to do, what we carried out, and what came of it. Where a programme did not continue, it is said so plainly — the full record of everything published during the year, including work that was stopped, is kept in the Hub Archive alongside this report.

We hand this over to the students who come after us, and to the administration that follows, in the hope that it is useful rather than ceremonial.

WHAT WE ACCOMPLISHED

2 programmes carried out during the term.

1. ELEM Week Celebration

September 2025 to September 2025

A week of academic contests, talks and a closing program for the unit's students.

- Committees formed and the week's schedule approved.
- The week closed with a program attended by most of the unit's students.

2. ELEM Peer Tutorial Sessions

October 2025 to March 2026

Free tutorial sessions before examinations, led by upperclass students.

- First round covered the four subjects students asked about most.
- Sessions ran before every examination period of the year.

MEASURES ENACTED
